

Make a cut out in the desired surface.

Install PCS62A/EE into the cut out and be sure it is fully leveled onto surface.

Use (2) Bracket and (2) Thumbscrew below the PCS62A/EE to secure unit on to the surface.

Plug the unit in to an applicable power outlet.

TABLE OF CONTENTS:

1 X PCS62A/EE
2 X BRACKET
2 X THUMBSCREW
